

**COM Rules and Conditions**

If you need help filling out this form, please contact your local rep.  
 Complete one form for each COM piece. Send the completed form, along with a 3" x 3" cutting of fabric. We suggest that you retain a fabric cutting for your records.  
 When sending the yardage, the fabric must be side marked with your account name and your customer number or your purchase order number.  
 All yardage is based on 54" wide fabric. Call customer service for non-standard fabrics.  
 COM production time is 6-8 weeks from receipt of the fabric and completed paperwork.  
 We assume that the face side of the fabric is rolled in.  
**-COM orders are non-cancellable.**  
 CFC/NOIR reserves the right to refuse fabrics that may not succeed on our frames.  
 While we inspect fabrics for mill imperfections, some are difficult to recognize. CFC/NOIR is not responsible for defects, color imperfections or other flaws. We recommend that you inspect the fabric prior to shipment.  
 Centering a design and matching the band on a cushion will both require more fabric. We recommend matching the band only when using a fabric with stripes.  
 Note: If fabric is to be returned with order, please indicate with an "X" in this box:  Fabric will not be held more than 30 days after your order is shipped.
